The **ESSEC x BDO Executive Management Program** is a collaboration between BDO and ESSEC APAC, offering a comprehensive learning journey designed to equip leaders with the skills needed to navigate today's evolving business landscape.

It provides critical insights into Geopolitics and its impact on business, equipping leaders to anticipate risk, identify opportunity, and make more informed strategic decisions. This journey empowers participants to transform their organizations, adapt to change, and lead with confidence in an increasingly complex global business environments.

Participants will gain the ability to harness Artificial Intelligence and Digital Transformation to improve decision-making and drive organizational performance, while strengthening capabilities in Innovation and Entrepreneurship.

WHO SHOULD ATTEND?

This program is designed for BDO's regional executives and its clients, including Team Leaders, Directors, MDs, CEOs, or entrepreneurs seeking a tailored program to refresh and update their expertise within current or evolving roles.

TAKEAWAYS

- **Cutting-edge Insights:**
  Gain access to cutting-edge business research, tailored to your needs. Stay ahead in today's evolving business landscape with our latest findings.
- **Immediate Impact:**
  Acquire actionable takeaways ready for immediate implementation. Beyond theory, our focus is on providing tools that drive instant impact.
- **Global Perspective:**
  Benefit from an international outlook, engaging with executives from diverse industries and geographies.

KEY BENEFITS

- **Cutting Edge Insights:** Stay ahead with tailored business research.
- **Interactive Learning:** Engage in dynamic sessions with ESSEC's highly-rated faculty.
- **Immediate Impact:** Gain actionable insights for real-world application.

THEMES

Geopolitics

Navigate ongoing global shifts with clarity and foresight. Develop a comprehensive understanding of contemporary geopolitical landscape to mitigate risk and seize crossborder opportunities.

Strategy

Drive immediate impact across your teams and organization. Master fresh perspectives, advanced frameworks, and practical tools designed to sharpen your strategic execution.

AI-Powered Leadership

Turn AI into a leadership advantage. Develop the fluency to ask the right questions, set a clear AI vision and lead your organization with greater insight, agility and impact.

Diversity & Inclusion

Unlock innovation by building cultures of belonging. Overcome hidden barriers to inclusion, align with societal needs, and acquire practical strategies to lead highly diverse, high-performing teams.

Transformative Leadership

Move beyond managing to truly transforming. Learn to align vision, culture and performance as you guide your organization and its people toward bold, sustainable growth.

Entrepreneurship and Intrapreneurship

Fuel growth by thinking like an entrepreneur within corporate structures. Comprehend the practical realities of highstakes ventures and master the strategies required to launch new initiatives successfully.

ABOUT ESSEC BUSINESS SCHOOL

Founded in 1907, ESSEC Business School is a prestigious institution set apart by its humanist approach. In light of economic, environmental, social and geopolitical challenges, ESSEC is committed to transforming its teaching, research, and campuses to train inclusive, influential and multicultural leaders.

With 8,534 students in pre-experience programs and 5,000 participants in executive education across campuses in Cergy, La Défense, Rabat and Singapore, ESSEC offers programs recognized as some of the best in the world. ESSEC's faculty, composed of 197 professors, 240 partnerships with international universities and an alumni network of over 79,000 members, showcases ESSEC's commitment to excellence and academic innovation.

ABOUT ESSEC APAC

Located at Nepal Hill, in the heart of one-north (the "Silicon Valley" of Singapore), ESSEC Asia-Pacific promises to shape the future of business education in the Asia-Pacific region. Established in 2005 as ESSEC's first overseas campus outside France, Singapore was chosen for its strategic location as the gateway to Asia, a culturally vibrant hub for finance, communications, logistics, and information technology.

As a hub for ESSEC's activities in the Asia-Pacific region, the campus offers a dynamic environment that facilitates the delivery of quality business programs to students and participants, fosters partnerships with academic and corporate entities, and drives influential research initiatives.
